This is great news!

I do have an advanced monitoring meeting scheduled with them for next week. Would either of you be interested in joining? It's mostly just to go over the progress of their grant, check for any updates, etc.

Just let me know and I can forward the meeting. Thanks!!

Hi Howard and AJ,

FYI – VADEQ has submitted the QAPP for their CSATG project. I won't have time to review it until after the VADEQ TSA.
